

Pacific Hoists

PACIFIC SCISSOR TROLLEYS

The Pacific Scissor Trolleys are designed to significantly reduce the risk of back injuries by making lifting and shifting loads up to 500kg light work. A foot operated hydraulic pedal ensures the load can be raised with ease and the ergonomic lever control will turn lowering the load into a safe operation.

Features

- A choice of 4 lifting capacities from 150 to 500kg and lifting heights from 220 to 1340mm.
- Many safety features, including; toe guards on all castor wheels and fitted metal knee guard for added protection.
- Hydraulic valving system which ensures loads lower slowly and are controlled.
- Easy to use foot operation for minimum effort when lifting.
- Collapsible handle on PST150, PST300 and PST500 models.

Specifications

MODEL	PST150	PST300	PST350	PST500
