

Pacific Hoists

PACIFIC ELECTRIC PALLET TRUCK

The Pacific Electric Pallet Truck features high quality and powerful performance against a very attractive price. With a capacity of up to 1.5 tonne, this pallet truck has the ability to be manoeuvred around the smallest warehouses with great control and ease. The 24V / 60Ah battery ensures a long and maintenance free battery life while energy saving and environmentally friendly.

Features

- Greatly efficient and convenient for lifting and moving up to 1.5 tonne with minimal effort involved.
- Compact design; ideal for narrow pathways and easy storage.
- Designed out of high quality material to ensure durability and a long product life.
- Environmentally friendly due to the low maintenance 24V / 60Ah battery with 240V inbuilt charger
- User-friendly design including ergonomically designed handle for maximum operator comfort.
- Anti-collision device for operator safety.
- Inclusive of emergency stop and key switch.
- Suitable for left and right-handed operation with variable speed control.
- Long battery life.
- The tool every warehouse needs!
