

# Pacific Load Skates

Pacific Load Skates are low profile load movers, designed to facilitate the moving and positioning of a wide range of loads such as heavy equipment, machinery and bridge structures.

The option of a turntable and positioning handle ensures Pacific Load Skates are adaptable to your load moving needs.

## Features

- Various capacities available.
- Optional turntable and steering handle offered on all models.
- High visibility colours for additional safety.

Optional turntable and positioning handle available.

*Optional turntable shown*

## Applications

Move very heavy loads . Great for moving furniture, heavy machinery or warehouse equipment.
