

Pacific Platform Trolleys

The economical alternative to expensive forklifts, PACIFIC Platform Trolleys are ideally suited to unloading skids in smaller workshops and warehouses, hospitals and assembly lines. All models are fitted with both overload valve and slow lowering valve to control speed as well as powder-coated finish.

Features

- High quality, heavy duty construction for reliability.
- Available in a variety of lift heights to suit many applications.
- Top quality, heavy load bearing castors ensure durability.
- Supplied with both a removable work platform and fork tynes.
- Manual and battery powered models available.
- Fitted with rear swivel brake wheels as standard to prevent the table from moving whilst loading and unloading.
- Adjustable tyne width.
