

## Challenger Hand Pallet Truck

The Challenger Hand Pallet Truck is a cost effective alternative to forklifts. This unique cast iron pump design features hardened and chromium plated piston and ram, along with top of stroke and overload bypass valve. The articulating axle provides easier handling and control on uneven floor surfaces.

## Features:

- Ergonomically designed handle with fingertip control.
- Special lowering valve allows control of descent rate
- The flow-regulating valve enables controlled speed with or without load
- Nylon steer wheels with double sealed bearings for quiet operation and long life.

The information shown is to be used as a guide only. Specifications are subject to change without notice. All materials handling or lifting jobs should be assessed individually. Pacific Hoists products are NOT to be used for lifting or lowering persons.

## Specifications

Stock Code	CPT250
Rated Capacity (kg)	2500
Max. Fork Height (mm)	190
Min. Fork Height (mm)	75
Fork Length (mm)	1220
Width Overall Forks (mm)	685
Individual Fork Width (mm)	160
Steering Wheel Diameter (mm)	Ø180 x 50
Load Roller Single (mm)	Ø74 x 93
Net Weight (kg)	90
