

Pacific Hoists

PACIFIC LIFTER TROLLEYS

Featuring high quality and a robust design, the Pacific Lifter Trolleys provide a safe way to transport goods in a variety of situations. They can also be used as a mobile workbench when required which adds to the versatility of this product. There are six models with capacities ranging from 150kg to 800kg and all models have CE conformance; passing the strict European requirements.

Features

- Single and double scissor lift models for maximum height of lift.
- Castor wheels enable easy positioning in tight spaces.
- Sealed bearing wheels for durability and cleanliness.
- Positive braking system on rear wheels for safety.
- Overload valve ensures load limit is not exceeded.
- Special hydraulic valving ensures loads lower slowly.
- One-piece table-top for strength and easy cleaning.
- Handle folds flat for storage on 150kg & 300kg models.
