

Pacific Electric Pallet Truck

The Pacific Electric Pallet Truck features high quality and powerful performance against a very attractive price. With a capacity of up to 1.5 tonne, this pallet truck has the ability to be manoeuvred around the smallest warehouses with great control and ease. The 24V / 60Ah battery ensures a long and maintenance free battery life while energy saving and environmentally friendly.

Features:

- Greatly efficient and convenient for lifting and moving up to 1.5 tonne with minimal effort involved.
- Compact design; ideal for narrow pathways and easy storage.
- Designed out of high quality material to ensure durability and a long product life.
- Environmentally friendly due to the low maintenance 24V / 60Ah battery with 240V inbuilt charger
- User-friendly design including ergonomically designed handle for maximum operator comfort.
- Anti-collision device for operator safety.
- Inclusive of emergency stop and key switch.
- Suitable for left and right-handed operation with variable speed control.
- Long battery life.
- The tool every warehouse needs!

The information shown is to be used as a guide only. Specifications are subject to change without notice. All materials handling or lifting jobs should be assessed individually. Pacific Hoists products are NOT to be used for lifting or lowering persons.

Specifications

Model	PAL150E	PAL200E
